

Engraved Brick Donation

Would your dog like to run free in a fenced in park? How about a swim? Have loads of fun with other dogs? Have we got a place for you!

Our Mission

To create a fun, safe environment that you and your family pet can share together. Plan a day of hiking, swimming, fetching, or just playing with other dog friends, instead of leaving your best friend at home.

Our goal is to open the dog park in late spring of 2006, but there is a catch! The dog park needs your help to transform the acreage allocated within Alum Creek State Park into a place where your dog can run, swim, and play unencumbered by a leash. We need enthusiastic, creative people, and financial contributions to come together to make this the best dog park possible!

The Dog Park is being developed on a 4-acre site along the Alum Creek reservoir that includes large and small dog areas, water access area for dogs that enjoy water sports, drinking water for pets and pet owners, and restroom facilities.

The park needs your support to turn this dream into reality. You can help by donating a brick that will be used in the sidewalk leading into the dog park. Donate a brick in honor of your pet, your family, or a loved one. Consider commemorating a pet adoption or pet birthday, the opening of a pet oriented business, a pet's graduation from puppy training, completion of obedience or agility training or a win in a pet competition.

Each brick donation is \$35.00 and 100% of your contribution goes to the Alum Creek Dog Park development fund.
