

Engraved Brick Donation

Would your dog like to run free in a fenced in park? How about a swim? Have loads of fun with other dogs? Have we got a place for you!

Our Mission

To create a fun, safe, off leash dog park where your dog can swim, fetch, or just play with other dog friends. To foster a sense of community by bringing dogs and their owners together for exercising and socialization. And to provide information and educational opportunities that support dog health and welfare.

The Alum Creek Dog Park is a partnership between Alum Creek State Park and the volunteer group, Friends of Alum Creek Dog Park. Many hours have been donated by the group along with donations from the community to develop and construct the dog park. We continue to need your support for additional dog park

amenities including lighting to extend the hours of operation from late fall through spring, a dog wash area for cleanup, benches, and additional access from a second parking lot.

The Dog Park is on a 4-acre site along the Alum Creek reservoir that includes large and small dog areas, water access area for dogs that enjoy water sports, drinking fountains, and restrooms.

Support Alum Creek Dog Park by donating an engraved brick that will be installed at the dog park. Consider commemorating a pet adoption or pet birthday, graduation from obedience training, or memory of a loved one.

Each brick donation is \$35.00 and 100% of your contribution goes to the Alum Creek Dog Park development fund.
